HALF TERM

Monday 21st - Friday 25th October

Monday 28th October - Back to School

Tuesday 29th October - Parent Workshop: Y1 Phonics

Wednesday 30th October - Individual School Photographs

Walk to School Week

Our Junior Travel Ambassadors prepared for the week by presenting an assembly about the benefits of walking to school.

During the week every child received a special bookmark. If children walked/scooted/cycled to and from school, they were able to colour in a circle on their bookmark. If all circles were coloured by the end of the week, children received a sticker prize.

To motivate children to participate in Walk to School Week, we reintroduced the golden lock, which was awarded to one child per day. If a child found the golden lock on their bike or scooter, they received a prize, and a different bike/ scooter was chosen each day of the week.

School Attendance

Well done to Mulberry class for 100% attendance this week. Elm class also received 100% attendance for last week. Children were awarded special stickers and a class certificate.

Attendance from the beginning of the school year is 95.7% which is below the government and school attendance target.

As our attendance has fallen, we ask that parents make all non-emergency appointments outside of school hours.

Holidays must be kept to the school holiday dates.

Parents are reminded that if children are taken out of school during term time, that they may liable to pay a fine issued by the local authority.

Over a year, if a child's attendance is only 95% that equals 10 days or 2 full weeks of learning missed!

Lime Class Trip to Brentford Lock

Lime class visited Brentford Lock on the Grand Union Canal for their Discovery topic Wild Waters last week.

Children learned about the history of the canal and how canal locks works. They were also made aware of how to be safe near water which is a vital life skill.

Applying for High School

Year 6 parents: High School Application deadline **Thursday 17th October**.

Full details on how to apply are available on https://www.ealing.gov.uk and in Around Ealing.

If you need help with completing your high school application please come to our Parent Workshop on **Tuesday 15th October at 9.00am & 2.00pm.**

Once you have completed your online application you will be sent a 16-digit personal reference number. Please make sure that we have a copy of this number.

In aid of WE ARE MACMILLAN. CANCER SUPPORT

Thank you for your support and generosity for our 'Wear Something Green Day' and cake sale for MacMillan.

With your generosity we have raised £715.88.

Thank you.

Online Safety Tip

The internet does not have a delete key. Any comment or image that is posted online will stay there forever. There is no way for you to take back a 'remark' once you have pressed SEND.

Do not put anything online that you wouldn't want your family or friends to see.

Oral Health Parent Workshop

Nursery and Reception parents attended a dental health workshop run our Oral Health promoter from Ealing.

She talked about the importance of brushing teeth twice a day for at least 2 minutes and making parents aware of foods/drinks that contain hidden sugar.

Children took part in a special story time and learned about healthy teeth.

Reception classes will shortly receive information about a new supervised brushing initiative for children, taking place at school.

Parent Reminders

From time to time you may have concerns over something that has happened in school. Please do not approach any child or their parents in the playground or outside the gates. Please speak to a member of staff and we will take any necessary action.

Please make sure that your child brings their PE kit to school on a Monday and keeps it at school for the week. Children can then bring it home on a Friday if you wish to.

FREE EALING OCTOBER HALF-TERM CYCLE COURSES

An opportunity for your child to:

- Learn to ride a bike
- Improve their bike skills
- Ride a bike on Ealing's quieter roads

Years 1 and above welcome. Parents can join their child on the Beginners course.
