School Attendance

School attendance from the beginning of the school year is 96.9%. This is just above the government target so we still have lots of improvement to make. Let's all try and make this term as close to 100% as we can.

Parent Forum

The Perivale Parent Forum will be meeting on Friday November 15th at 9am. Please speak to one of the members or Ms Vaux if you have any ideas or thoughts you would like to share with the school.

Details of the membership can be found on the noticeboard at the front of the school and outside the school office.

New School Website

We are in the process of updating our school website and would welcome your views on what information you would like to see included.

Please click on this link to a short survey where you can let us know what information and features would you like to see on our school website.

Please respond by Monday 11th November.

Thank you in advance for your feedback.

Parking

Recently, we have received several complaints from our neighbours regarding parents parking across or obstructing their driveways.

Ealing council will issue fines for vehicles that are blocking resident's dropped curbs. They will be patrolling the area at drop off and collection times, so please be considerate and park legally. There are parking spaces available in neighbouring roads with a short walk to school.

Please be aware that from now on if we receive reports of cars blocking our neighbour's driveways, we will be sending a text message identifying the car registration number and asking the parent to remove the car immediately.

New Cycle Scheme in Ealing

Try Before You Bike is an exciting scheme supported by Ealing Council that allows you to hire a brand-new bike for from £10 a month until you either own or return the bike.

A wide range of bikes are available including standard, electric and now **children's** bikes.

Peddle My Wheels deliver the bike fully assembled TO YOUR DOOR,.

You will receive a **personalised 2-hour cycle training session** helping you to build confidence and familiarity with your new ride.
